Fluor-Ban:

ICR: 222.8 Fluorinated ski wax prohibition.

Use of fluorinated wax or tuning products containing fluorine is prohibited for all FIS disciplines and levels. Fluorinated wax can be a competitive advantage and its use in competition will result in disqualification. (see competition rules and equipment specifications.) It is the responsibility of the respective team to ensure compliance with the FIS-ICR.

Fluor control:

The fluor control takes place:

- before the race, based on the decision of the fluor inspector and the JURY;
- after the race, all athletes have to leave their skis in the finish area;
- athletes can pick up their skis after the fluor control 60 minutes after the last competitor in the given category has finished;
- all skis have to be marked with a sticker:
 - o blue: U20M, M
 - o pink: U16W
 - o green: U18M
 - o yellow: U18W
 - o red: U20W, W
 - o purple: U16M
